I've gotta say what I feel before I grow older

Wicked Game

Chris Isaak

1. The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
And I never dreamed that I'd lose somebody like you

No, I don't want to fall in love (this girl is only gonna
break your heart)

No, I don't want to fall in love (this girl is only gonna
break your heart)

With you, with you (this girl is only gonna break your
heart)

2. What a wicked game to play to make me feel this way
What a wicked thing to do, to let me dream of you
What a wicked thing to say, you never felt this way

What a wicked thing to do, to make me dream of you

And I don't wanna fall in love (this girl is only gonna
break your heart)

No, I don't wanna fall in love (this girl is only gonna break
your heart)

With you

3. The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
And I never dreamed that I'd lose somebody like you

No, I don't wanna fall in love (this girl is only gonna break
your heart)

No, I don't wanna fall in love (this girl is only gonna break
your heart)

With you (this girl is only gonna break your heart)

With you (this girl is only gonna break your heart)

No, I... (this girl is only gonna break your heart)

(This girl is only gonna break your heart)

Sultans of swing

Dire Straits

1. You get a shiver in the dark, it's a raining in the park
 but meantime-
 South of the river you stop and you hold
 everything
 A band is blowing Dixie, double four time
 You feel alright when you hear the music
 ring

2. Well now you step inside but you don't see too many
 faces
 Coming in out of the rain they hear the jazz go
 down
 Competition in other places
 Uh but the horns they blowin' that sound
 Way on downsouth . Way on downsouth
 London town

3. Check out guitar George, he knows all
 the chords
 Mind he's strictly rhythm he doesn't want to
 make them cry or sing
 They said an old guitar is all, he can afford
 When he gets up under the lights to play his
 thing

4. And Harry doesn't mind, if he doesn't, make
 the scene
 He's got a daytime job, he's doing alright
 He can play the honky tonk like anything
 Savin' it up, for Friday night
 With the Sultans . We're the Sultans of
 Swing

5. Then a crowd a young boys they're a foolin'
 around in the corner
 Drunk and dressed in their best brown baggies
 and their platform soles
 They don't give a damn about any trumpet playin'
 band
 It ain't what they call rock and roll
 Then the Sultans . Yeah the Sultans they
 play
 creole creole, baby

6. And then the man he steps right up to the
 microphone
 And says at last just as the time bell rings
 Goodnight, now it's time to go home
 And he makes it fast with one more
 thing
 With the Sultans . We're the Sultans of
 Swing

Hole hearted

Extreme
Chitarra: 12 corde, acc. mezzo tono sotto

1. Life's ambition occupies my time
Priorities confuse the mind
Happiness one step behind
This inner peace I've yet to find

Rivers flow into the sea
Yet even the sea is not so full of me
If I'm not blind why can't I see
That a circle can't fit
Where a square should be
There's a hole in my heart
That can only be filled by you
And this hole in my heart
Can't be filled with the things I do
Hole hearted
Hole hearted

Rivers flow into the sea
Yet even the sea is not so full of me
If I'm not blind why can't I see
That a circle can't fit
Where a square should be
There's a hole in my heart
That can only be filled by you
And this hole in my heart
Can't be filled with the things I do
There's a hole in my heart
That can only be filled by you
And this hole in my heart
Can't be filled with the things I do
Hole hearted
Hole hearted
Hole hearted
Hole hearted

2. This heart of stone is where I hide
These feet of clay kept warm inside
Day by day less satisfied
Not fade away before I die

Wish You Were Here

Pink Floyd

1. ^C So, so you think you can tell, ^D
^{Am} Heaven from Hell, ^G blue skies from pain.
^D Can you tell a green field
^C from a cold steel rail,
^{Am} a smile from a veil,
^G Do you think you can tell?

2. ^C And did they get you to trade
^D your heroes for ghosts,
^{Am} Hot ashes for trees,
^G hot air for a cool breeze,
^D cold comfort for change,
^C And did you exchange
^{Am} a walk on part in the war
^G for a lead role in a cage?

- ^C How I wish,
^D how I wish you were here.
^{Am} We're just two lost souls swimming in a fish bowl,
^G year after year,
^D Running over the same old ground.
^C What have we found?
^{Am} The same old fears.
^G Wish you were here!

I remember you

Skid Row

1. Woke up to the sound of pouring rain
The wind would whisper and I'd think of you
And all the tears you cried – they called my name
And when you needed me I came through

2. Paint a picture of the days gone by
When love went blind and you would make me see
I'd stare a lifetime into your eyes
So that I knew that you were there for me
Time after time you were there for me

Remember yesterday - walking hand in hand
Love letters in the sands - I remember you
And through the sleepless nights, through every endless
day
I wanna hear you say, "I remember you."

3. We spent the summer with the top rolled down
Wished ever after would be like this
You said I love you babe, without a sound
I said I'd give my life for just one kiss
I'd live for your smile and die for your kiss

Rit

4. We've had our share of hard times
But that's the price we paid
And through it all we kept the promise that we made
I swear you'll never be lonely

5. Woke up to the sound of pouring rain
Washed away a dream of you
But nothing else could ever take you away
'Cause you'll always be my dream come true
Oh my darling, I love you
